Marquis Software Solutions Launches CenTrax NEXT, A New Generation of Compliance Software

PLANO, TX (September 2019) – [Marquis Software Solutions](#), a financial services market leader providing compliance and marketing software and expertise for financial institutions, launched CenTrax NEXT, a new generation of compliance software.

[CenTrax NEXT](#) allows banks, credit unions and mortgage lenders to assemble, analyze, and act on data with regards to HMDA, CRA and Fair Lending. This new software features enhanced mapping tools, customizable dashboards, browser-based applications, improved reporting tools, and new fair lending reports.

“While building CenTrax NEXT we listened to our clients to create a new software solution that meets the everchanging regulatory landscape,” said [Susan R. Faulkner, Marquis CEO](#). “CenTrax NEXT will help our clients better understand their data and manage their fair lending, HMDA and CRA programs.”

Marquis has been providing Compliance software solutions since 1987. Marquis serves banks, credit unions, and mortgage lenders across the country, from small community banks to the largest banks in the nation.

“We understand our client’s needs and the importance of having intuitive and easy to use technology that gives you accurate data, powerful reporting tools, enhanced mapping, and FFIEC geocoding,” [Leslie Watson - Stracener, Marquis Chief Compliance and Client Experience Officer](#) said.

CenTrax NEXT is the next generation of compliance software!
